    Call via Device Audio

    Dial in

    Allow Zoom to record audio?

    ALLOW

    DENY
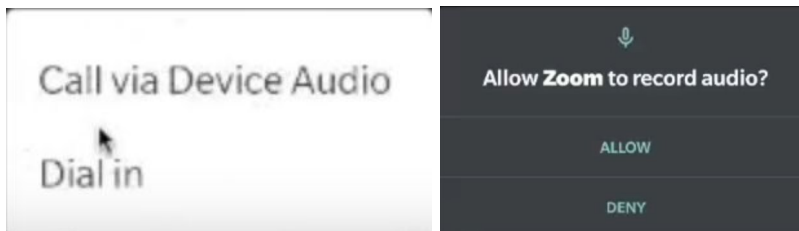

9. You're all set and should be able to hear and see the hosts!

Web:

1. Browse to Knighted COVID-19 Digital Town Hall page:
   https://www.knighted.com/digital-town-hall/
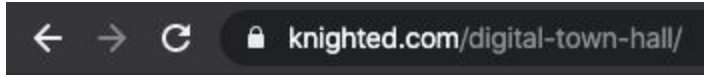

2. Click the link to open the Zoom meeting page

3. Once loaded you'll have the option to "download & run Zoom" or "join from your browser"

   If nothing prompts from browser, download & run Zoom.

   If you cannot download or run the application, join from your browser.

   a. Download & run Zoom will initiate a download for Windows and MacOS. You'll need to install the application and follow the on screen instructions. Once installed you'll be asked to open the Zoom app to join the meeting.

   b. You can join directly from your browser if you're using Google Chrome.
      Note: Refer to mobile instructions if you intend to join from your mobile device.
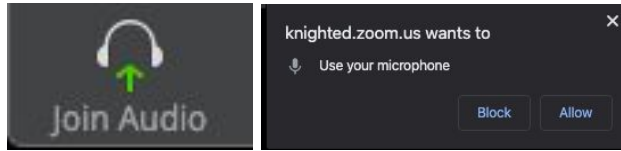

4. Enter your name and continue
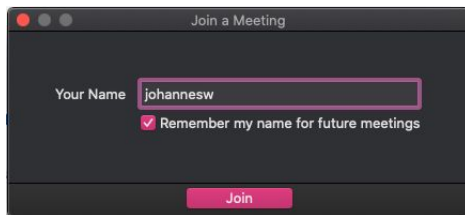

5. Test and join audio
   a. You can test your audio settings before joining in the Zoom app.
   b. Join the audio feed by clicking the "Join Audio" button in the bottom left. Chrome may ask you for additional permissions. You may need to allow these in order to

hear the audio.

6. You've successfully joined the Knighted Digital Town Hall and should be able to see and hear the hosts.

7. You may use the "Chat" function to ask questions to the Moderator
